HOSPITALIZATIONS (ALL-TIME)

We need to continue to remain cautious and vigilant, and keep doing the things that have helped us make this progress.

The Maryland Department of Health will issue orders to allow for limited visitation to resume at hospitals and nursing homes.

**22 county school systems
have begun in-person
instruction or plan to do
so by March 1.**

SCHOOL TESTING RESOURCES

- **MDH and MSDE have offered to provide nearly 1 MILLION tests to school systems between now and June**
- **Includes rapid antigen tests and diagnostic testing**

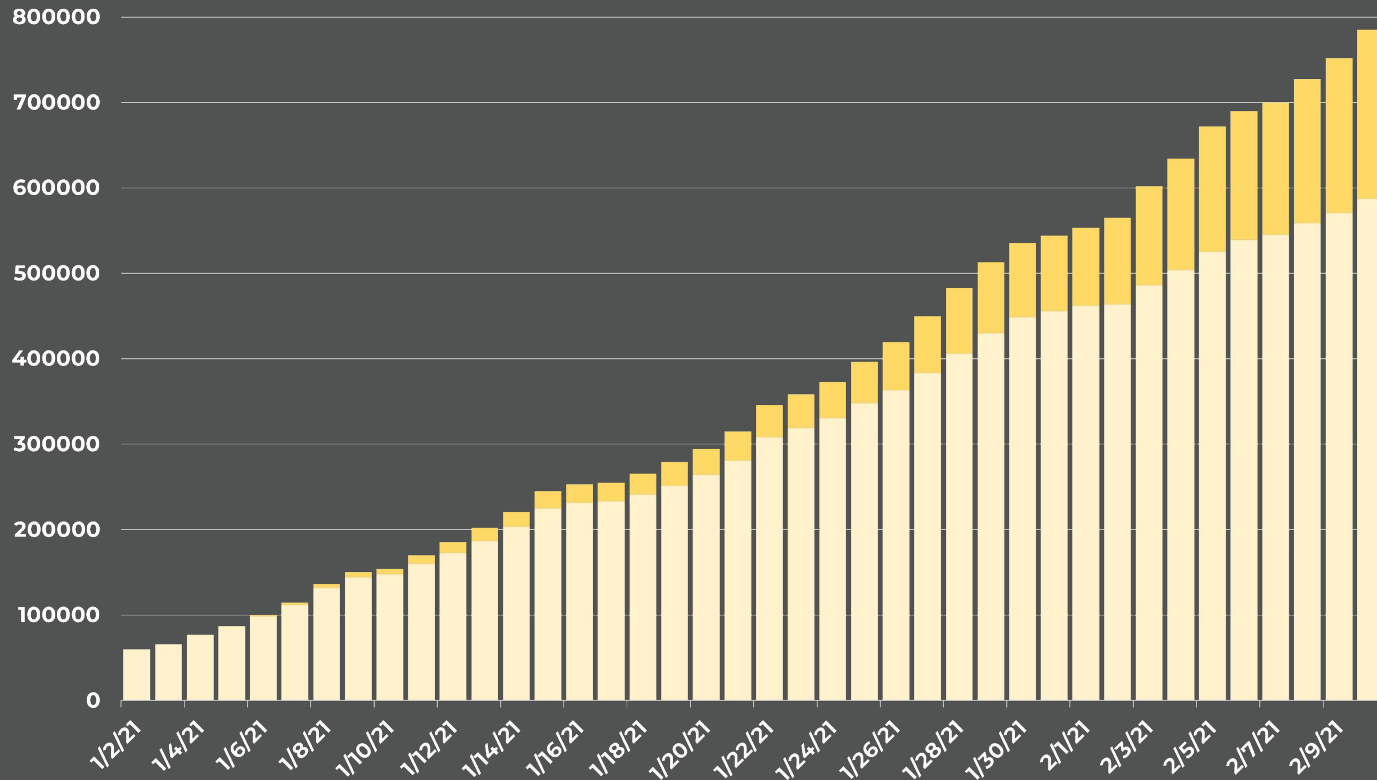

REQUESTS TO FEDERAL GOVT

- **Utilize Defense Production Act to manufacture more vaccines**
- **Coordinate more closely with states re: allocations**
- **Vaccinate federal employees**

**Demand will continue to
exceed supply for the
foreseeable future.**

MONTGOMERY CO. VACCINATIONS

**The Maryland Department of
Health will begin providing
county officials with four-week
allocation projections.**

The bottom of the slide features a decorative graphic consisting of several overlapping, semi-transparent geometric shapes in shades of yellow and orange, creating a layered, mountain-like effect.

ALLOCATIONS

- **We will continue to increase allocations to each county as a whole across all providers**
- **Allocations are made equitably based on population**

MASS VACCINATION SITES

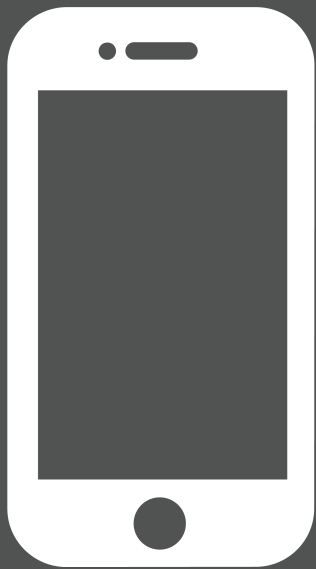

- **On track to serve more than 15,000 Marylanders in their first week (100% of allocation)**
- **Ready and able to administer thousands more doses per day when supply permits**

SIX FLAGS AMERICA SITE

- **Residents from 22 jurisdictions have been vaccinated or scheduled**
- **Appointments prioritized for eligible Prince George's County residents**

**The M&T Bank Stadium
vaccination site will
open February 25.**

The bottom of the slide features a decorative graphic consisting of several overlapping, angular shapes in shades of yellow and orange, creating a stylized, mountain-like or architectural base.

EQUITY TASK FORCE

- **General Birckhead is requesting liaisons from each county**
- **Working with local organizations to set up mobile pop-up clinics in underserved areas**

**Thank you,
vaccinators.**

The single-dose Johnson & Johnson vaccine candidate may be approved by the end of this month.

**Stay informed and *be*
ready when a vaccine is
available to you.**

The bottom of the slide features a decorative graphic consisting of two overlapping, stylized mountain-like shapes. The top shape is a light yellow color, and the bottom shape is a slightly darker, more vibrant yellow-orange color. Both shapes have a flat top and sloping sides, creating a layered, geometric effect.
